EVYN CHARLES

Soulful, passionate and engaging, Evyn Charles delivers superb vocals and high-energy positive music with an extensive repertoire of cover songs and originals.

His *Soulful Beach Groove*[™] style fits somewhere between Jack Johnson and Sublime while following in the footsteps of Van Morrison, Bob Marley and Bill Withers. Like those artists, he combines great party songs with spiritual numbers. Evyn is especially adept at evoking the sounds of his adopted home, Southern California, and regularly performs in beach towns.

He also has a wonderful quieter side and can provide instrumental guitar music.

Born in France, living and educated in the United States since his teens, Evyn has toured the world with various groups, appeared in musical and theatrical productions, and been featured on major recording projects.

Equally at home on a solo acoustic guitar, with a duo, trio or his band *The NeverQuitters*[™], he performs at venues ranging from neighborhood bars and country clubs to festivals, as well as parties, weddings and special events.

Evyn's CD "Spare Me The Details" is available at CDBaby.com or iTunes.com.

Please visit www.evyncharles.com for current information.

RECOMMENDATIONS:

On behalf of the National Cancer Survivors Day Committee, I would like to sincerely thank you for providing the wonderful musical entertainment at the Survivors Day event.

Your involvement helped to make our celebration a huge success. We hosted over 1,300 survivors, family and friends, volunteers and staff.

Thank you again for your willingness to help support City of Hope's National Cancer Survivors Day and those who have experienced cancer. Sincerely,

Linda Baginski, Event Chair

CITY OF HOPE NATIONAL MEDICAL CENTER

I would like to share my wonderful experience of a very professional musician. He was scheduled to play one song at our wedding [...] At the last minute, the morning of the wedding, we had to ask Eryn to do the entire wedding ceremony. Not only was he able to fill in, but he did a very great job. Many people complimented him directly or told us how well they enjoyed the music and his singing. He was very instrumental in giving us advice before, regarding the music for the ceremony. We were both very delighted that we had beautiful solos and music, which will be very memorable for the rest of our lives. His rendition of 'Now I Do' rendered applause from our guests. Thank you Eryn for a very memorable and beautiful event.

Rich and Grace Bordwell

"Just a quick note to say Thank You for the outstanding performance at MGM Plaza. The band was a pleasure to work with, your professionalism was a welcomed pleasure. We were all so impressed with the variety of music in your repertoire, your selections were perfect and everyone had a great time!

We look forward to working with you again at one of our future events.

Sincerely,"

Kimberly D. Miles, Office Manager

TishmanSpeyer Properties

"... I wanted to express my deep appreciation for your band's participation in our MOCA [Museum of Contemporary Arts] Contemporaries event last June at Abiquiu Restaurant.

As I have told you before, I thought the band was fantastic. We continue to have extremely positive feedback regarding that event, especially the band. You have had many compliments. A lot of people danced and everyone had a great time.

Please feel free to give my name as a reference for you in the future. I look forward to seeing you guys playing again soon.

Thank you again."

Alan Jacknow M.D., President

MUSEUM OF CONTEMPORARY ART, Los Angeles

Eryn Charles has only been playing for us for a short time and he has already established a following.

I have been in the bar business for twenty years and I recognize a great performer. He gets my guests whistling, howling and singing, just great stuff! Sincerely,

David Fisk, Manager

HENNESSEY'S TAVERN, REDONDO BEACH, CA

Evyn: Thanks so much for playing, you made the party!

In the past, most of the guests liked the better entertainers I hired but EVERYONE of all ages loved you. I received so many compliments about the music. You played soothing instrumental guitar music while we were having dinner in the backyard and later had everyone dancing inside the house, what a range! I will definitely hire you again and recommend you to all my friends and clients.

"... Thank you for your excellent contribution to our event. We wouldn't have had nearly as much fun without your talented trio!"

Hugh Taylor

"... Just wanted to let you know again how much we appreciated you and your band playing at our wedding. You were great, individually and collectively..."

Heather and David Hanes

"On behalf of all the staff and management of WebVision, Inc., I would like to express our most sincere appreciation for your performance at our recent company party.

A group of us happened to catch them in performance at a Redondo Beach club a few months ago. We stayed all night while Evan and the band graciously took our requests. These guys know hundreds of songs and sound fantastic! We knew this was the band we wanted for our event.

Our employees' families had been invited to the party so there were people of all ages, from older adults to children and teens. The band managed to entertain everyone, and get a bunch of computer programmers on the dance floor--now that's impressive!

In addition to being extremely talented, from a business standpoint, they proved to be very professional and easy to work with. We look forward to having the band perform at next year's company party!"

John McGloughlin, Vice President

WEBVISION, INC.

Hi Evyn! Thank you for adding such wonderful entertainment to our event. We and our many visitors very much enjoyed your music. We had numerous comments of appreciation for your participation.

Councilwoman Schipske (Long Beach 5th District) asked about your band and obtained your business card. We are so glad you were available for our special street fair. We'll be in touch in the future!

Thank you again, Evyn!

"... We hired Evyn Charles and his band to play at our wedding reception last month. They were great! The variety of music they played was fantastic and their obvious skills as musicians was apparent. They had everyone on the dance floor and having a good time. In short, we would recommend them to anyone for their wedding, party or other event..."

Shari and Jerry Dressler

"Hello, Evan..Just a "note"...wanted to tell you how much we enjoyed your music last night! You were incredible!! :))) Hard to imagine that just one guy can produce such a sound! Thanks for a great evening...Best,

Jen Jones [Customer—Bull Pen, Redondo Beach]

"Evyn: Thank you so much for playing at our party on the 4th of July. You were a major hit with everyone there and I look forward to having you perform at our next party. I also give you the highest recommendation for anyone interested in hiring you. Good luck in the future and I'm sure we will see you real soon."

Donald J. Calabria

"Dear Evyn: Matt and I just got back from our honeymoon, and we just wanted to thank you so much for all you did for us at our wedding. Everyone gushed over your beautiful music for the wedding, and the processional song went perfectly. Your ability to improvise as needed was truly a blessing. I was so confident in your skills that I didn't have to worry at all about the music coming together during the morning preparations for the wedding. What luck it was that we met [...] It all worked out so perfectly in the end..."
